Dream on looms

ABOUT LOGO

The Dream on Looms logo celebrates the timeless beauty of traditional weaving and the artistry of handcrafted textiles. Inspired by the intricate details of looms and woven threads, the emblem represents the connection between heritage, craftsmanship, and the stories woven into every creation.

The distinctive symbol combines a flowing, loom-inspired form with intricate woven patterns, reflecting the harmony between tradition and contemporary elegance. The refined typography adds a sense of warmth and sophistication, while the earthy colour palette evokes natural fibres, rich textures, and the beauty of handcrafted materials.

Together, these elements express the essence of Dream on Looms: a celebration of craftsmanship, timeless design, and the art of weaving dreams into every thread.
